

Visiting Inverell:

Inverell is a thriving commercial and service centre with a population of 12,000 and district population of 18,000.

Inverell is 489klm south west of Brisbane and 675klm north west of Sydney. Travellers can arrive in Inverell by air, or on the many coach services travelling to Inverell, including CountryLink, Greyhound and local coach services.

Inverell is popular for its great country hospitality, beautiful climate, spectacular scenery, and wide range of entertaining activities. Situated on the western edge of the New England Tablelands, Inverell is nestled in the picturesque valley beside the Macintyre River. The range of activities on offer is impressive and there is an endless list of interesting attractions to see. You can fossick for precious gems, especially sapphires. Inverell is also renowned for water sports and fishing facilities. You can visit the Inverell Transport Museum, or step back in time at the Inverell Pioneer Village. There are arts, crafts, antiques, olives and wines to sample and the commanding views from McIlveen Lookout speak for themselves.
